Note

The pay of the clerks may be revised to 40 and 20 Rs respectively. The Cost might be debited to the various municipalities in the District in proportion to receipts. I think that the Mysore District with 13 Talukas deserves 4 clerks while Bangalore and Kolar with 9 Talukas each 3 clerks not to speak of Shimoga & Kadur with 8 & 6 Talukas each.

Submitted to Committee.

From

DEPUTY COMMISSIONER'S OFFICE,
MYSORE DISTRICT,
6th November 1893.

A. Rungarama Iyengar, Esquire, B. A. B. L.
Deputy Commissioner,
Mysore District.

To

The Chief Secretary to the Dewan of Mysore,

SIR,

I have the honor to submit that the work in the Municipal Department of the District Office has very much increased of late. There is only one clerk on Rupees 25 who cannot be expected to possess the necessary experience to dispose of all the work in that Department. Before the revision of 1879, there were two hands on 35 and 15 Rupees respectively. Since then accounts of the municipalities have to be checked and submitted monthly, and monthly proceedings have to be scrutinized and estimates for works &c have to be examined passed, and submitted to Government when necessary, as also Budget Estimates &c. In a heavy District like this I find it impossible to spare sufficient

time to look minutely into all these matters and ensure prompt despatch of business. I beg therefore that an establishment, as per margin, which is very necessary, may be sanctioned. The Head Clerk will not only attend to the work of the Taluk Municipalities in the District proper, but also to the correspondence with Government on account of the Mysore Municipality and the municipalities in the French Rocks Sub-Division, and the clerks is required to attend to the ordinary municipal correspondence and to assist the Head Clerk.

2. I beg further to observe that though municipal institutions have been in existence for many years, very little used to be done till now. Not only has the increasing work to be coped with, but a great deal of trouble is required to improve knowledge of municipal matters and to ensure prompt disposal of municipal works. I trust therefore that my proposals

will be considered favorably and sanctioned at an early date.

3. The Amildars, at present, have no assistance for preparation of projects, keeping the proceedings of monthly meetings and for correspondence. I shall make separate proposals in that behalf as soon as orders of Government are received for strengthening Taluk establishments.

I have the honour to be,

Sir,

Your most obed. servant
